## MANY THANKS...

Many thanks for participating in our Purple Day fundraiser. Total amount raised will be announced in the next newsletter and posted in the hallway. The children had fun with purple crafts and activities! All money raised will go to Epilepsy Durham Region.

## FYI...

There is a program called Eye See...Eye Learn for children transitioning to JK. Children may be eligible for one free pair of eyeglasses courtesy of participating optometrists. Copy and paste this link for more information:

## ENROLLMENT...

Be sure to hand in your child's registration package if you are planning on re-enrolling for fall. Some classes are already full for the upcoming year. The 2019-20 monthly fee for 2 half-day sessions a week is \$210.00, four half-day sessions a week is \$420.00. The registration fee is \$30.00.

We will be hosting an OPEN HOUSE NIGHT on Wednesday, April 24, 5:30-7:30 p.m. for families of 2019-20 students. If you know someone who would like to visit the school and learn about our program, please let them know. The staff will be available to answer questions and children will have the opportunity to explore the classroom.
