December 24-January 4 - School closed for the holidays
January 7, 2019 - First school day in 2019

BETHESDA HOUSE

Pine Ridge Nursery School has a Christmas tradition of giving back something to the community. Once again, we have chosen Bethesda House, our local shelter for women and children. Beginning the second week of November you will find a collection box in the hallway. A representative from Bethesda House has indicated that at Christmas time, the children of families living at the shelter can go through the donated items and choose a gift for their mom. As well, Bethesda House packs hampers for many families that have gone through the shelter in the past year. Toys, pajamas, slippers, personal care items, etc. would be most welcome. Items should be new and unused. Thank you for your kindness.

CHRISTMAS PARTY PLANS

On December 12 and 13 we will celebrate the holidays with a Family Christmas Tea Party here at school. Families are invited to join us for snack in the gym (similar format to Mother's Day Tea, Snack with Dad). The children will prepare a musical presentation for you to enjoy! A letter with more information will be distributed in November.

OTHER NOTES

With the approach of the cold, wet weather, please leave wet footwear downstairs upon entering the church. Remember to label your child's things, ESPECIALLY BOOTS!!!!!! Help keep our stairs and hallway dry. Thank you.

PORTFOLIOS

Every child creates a portfolio over the course of the school year. This scrapbook contains artwork your child creates, photos taken at school and more. The teachers utilize the professional resource "How Does Learning Happen?" Ontario's Pedagogy for the Early Years as a guide to support and document inquiry-based learning in the classroom. The portfolios will be available bi-monthly for you to view/initial. Please replace the portfolio into the class box once you have viewed it. The portfolio will be sent home at the end of the school year.

NOVEMBER

November will be a very busy month! We look forward to the many fun events planned with your children. They have learned the routines and made great strides since September and are now settled into the program. It is wonderful to watch them learn and gain new skills.
